

CONTROL STATIONS				
REFERENCE	POINT STYLE	EASTING	NORTHING	HEIGHT
▲ STN1	NAIL IN POST	509.117	970.185	
▲ STN2	NAIL IN POST	454.254	1055.575	37.558
▲ STN3	HILTI NAIL	494.001	969.634	38.493
▲ STN4	HILTI NAIL	467.912	1008.109	37.542

© This drawing remains the property of Pinpoint Engineer Ltd and shall not be copied without prior written consent.

All dimensions to be checked on site and any discrepancies to be reported before work commences.

Tree information including species, heights, diameters, position and spread are an approximation only and is subject to discrepancy, should accurate and detailed information be required a specialist should be sought.

If scaling off this drawing the scale bar should be utilised to verify paper size is correct.

Inaccessible survey points and lines due to lack of visibility or obstacles have been replaced with predicted/projected lines. Surrounding property eaves, ridge and building locations have multiple projected lines.

Building outlines are shown in red, roof outlines are shown in green - when printing in black and white - generally the inner lines are the building lines.

An arbitrary level datum has been utilised for this survey and therefore does not relate to the ordnance survey grid nor the ordnance datum.

Tree References in metres:
 D = Tree Diameter
 S = Tree Spread
 H = Tree Height
